

**Your used printer cartridges MAKE  
A HUGE DIFFERENCE.....  
From Sea to Shining Sea!**

(a national fundraising challenge)

**We're helping keep  
America beautiful and  
raising needed funds for  
our work on behalf of  
Wounded Warriors at  
home and abroad.**

[www.operationquietcomfort.com](http://www.operationquietcomfort.com)

*You can help Operation: Quiet Comfort (OQC) earn even more and enjoy a little competition while you're at it! There are two ways to participate...*

As an **individual**, you can collect empty inkjet and laser printer cartridges, request a shipping label for free shipping directly to the Funding Factory and OQC will receive credit for your contribution.

Contact Maggie for the shipping labels that ensure OQC receives credit in our *Sea-To-Shining Sea Challenge!*

[maesafron@yahoo.com](mailto:maesafron@yahoo.com)

Sara will send you a prepaid postcard that you'll return to OQC so that your personal contribution can be credited to your state's region!

You can help OQC reap the benefits of BULK donations by sending your inkjet and laser printer cartridges to:

Operation: Quiet Comfort  
c/o Maggie Alverado  
2809 Cardinal Drive  
Rolling Meadows, IL 60008-1411

Sara will do all the sorting, checking and preparation of the BULK shipments, and track the state of origin of each donation so your state's region will be credited. Sara will forward the bulk donations to the Funding Factory to achieve a greater level of funding for OQC!

**A list of the accepted inkjet and laser printer cartridges is found on the following pages, along with the regions of the country we're tracking and the states that make up each region. A little competition is good for all of us...so which region will win???**

**Honor and Comfort for Our Wounded Troops**  
*on behalf of a grateful nation*
